

# Harmonic-Risk: Zero Out-of-Pocket Costs

i PlanRx

Introducing a game-changer: no more out-of-pocket costs for employees, reduced employer risk, and a perfect balance between financial concerns and security.

Employers can offer a \$0.00 out-of-pocket benefit. This reduces their organizational risk.

## Guaranteed Options

Options are not subject to medical underwriting.

Our goal is a **WIN-WIN** for your business and employees.
